

# A Global Platform For The Future Of Space

2026

**SPACE  
DEBRIS  
CONFERENCE**

**26-27 JAN 2026**

**Riyadh, Saudi Arabia**

# WELCOME TO RIYADH SAUDI ARABIA

The Kingdom of Saudi Arabia welcomes you to the Second Edition of the Space Debris Conference 2026, on 26-27 January 2026.

Building on the success of the previous edition, the conference provides a global platform for scientific dialogue and innovative solutions, bringing together experts and decision-makers to advance international collaboration toward a sustainable space environment.

This edition reflects the Kingdom's commitment to shaping the future of space through responsible practices, innovation, and shared global action for the benefit of future generations.

# TRAVEL

## KING KHALED INTERNATIONAL AIRPORT (RUH OR KKIA)

Riyadh is served by King Khaled International Airport. Flights to Riyadh King Khalid International Airport come in from all over the world.

# LIMITLESS TRANSPORTATION

Through its extensive network of six lines, the Riyadh Metro project connects key destinations, densely populated areas, and prominent landmarks such as government, educational, and healthcare centers. Spanning 176 km and featuring 85 stations, the project includes four main hubs: the Qasr Al Hokm Downtown Station, King Abdullah Financial District Station, the Western Station, and the STC Station, offering visitors a more comfortable and seamless transportation experience.

**Blue Line:** From Alawwal Bank Station to Ad Dar Al Baida Station.

**Red Line:** Starts at King Saud University and extends east toward King Fahd Sports City.

**Orange Line:** From Jeddah Road through several stations, ending at Khashm Al Aan Station.

**Yellow Line:** Connects Terminals 1-2 at King Khalid International Airport with the King Abdullah Financial District

**Green Line:** Begins at the Ministry of Education Station and ends in the city center at the National Museum Station.

**Purple Line:** Starts at the Financial District and heads east to Al Naseem neighborhood.
